GrowGeneration Opens 8,000 Square Foot Southern California Retail Distribution Center Broadens Presence in Southern California and Continues California Expansion Initiatives

DENVER, April 26, 2017 / -- GrowGeneration Corp. (OTCQB: GRWG), GrowGeneration ("GrowGen" or the "Company"), one of the largest specialty retail hydroponic and organic gardening store chains, selling to both the commercial and home cannabis markets, with currently 10 locations in Colorado, one location in California and one location in Las Vegas, today announced that it has signed a three-year lease, with 2 three-year renewals, on an 8,000-square foot facility in San Bernardino, Calif. This is the 13th location for GrowGeneration, and the second in California.

The San Bernardino location, located directly off the major 215 Los Angeles- Las Vegas freeway in what is known as the Inland Empire, will serve as a retail and warehouse location servicing the growing number of both commercial and home growers in the Southern California market.

GrowGeneration Focused on Aggressive California Expansion

California continues to present significant growth opportunities for GrowGen, particularly after passing an adult use law in November 2016. According to New Frontier Data, the California market is projected to grow at a compounded annual rate of 18.5%, from \$2.76 billion in 2015 to \$6.5 billion by 2020. The Southern California market is particularly important due to the high concentration of cannabis cultivators in the region.

Darren Lampert, Co-Founder and Chief Executive Officer, commented, "Opening the GrowGeneration Southern California operation enables us to begin servicing both the home and commercial cultivators in Southern California. By increasing our warehouse and retail showroom space, we will be able to stock at inventory levels and sizes to attract the large commercial growers. With the cultivation licenses being issued this year in Southern California, GrowGen is now strategically well positioned to gain new business. California is a major marketplace that the Company is developing, and plans to add several locations in the coming months."
